**"SINATRA'S SWINGIN' SESSION!"—Frank Sinatra—Capitol SW 1491**  
 A group of early Sinatra memorables are given the big swinging treatment by singer this time around. Nelson Riddle is right in there in his indispensable role as co-swingin', and together they romp delightfully through "When You're Smiling," "S'posin'," "Should I," "You Do Something To Me," "It all Depends On You" and seven others. Will generate the usual quick sales action.
