COME SWING WITH ME!

Frank Sinatra. Capitol SW 1594 (Stereo & Monaural)—Supported by the sparkling arrangements of Billy May, Sinatra has a winning set of performances on this LP. The set is composed almost entirely of rhythmic interpretations by Sinatra in the medium to medium-up tempos. Many favorite vehicles are included—tunes like “Day by Day,” “Five Minutes More,” “American Beauty Rose” and “That Old Black Magic.” In addition, there are swinging performances of such powerful tunes as “Paper Doll,” “Yes Indeed,” and a bluesy “Sentimental Journey.” Set is sure to appeal to the myriad of Sinatra fans and many more.

From March, 1971, to about 1978, Capitol issued *Come Swing With Me* under the title *Sentimental Journey*. With that name it was released separately as SF-726 and was paired with a reissue of another Sinatra album as STBB-724. This time Capitol withdrew two songs from the set – leaving ten songs.
