Label 62

Mono

W-735

Black rainbow label with logo at top, without subsidiary print.

62A (Keystone print)

**FRANK SINATRA CONDUCTS
TONE POEMS OF COLOR73**
(1-12")
Capitol W 735
Music to match each color hue has been composed by Victor Young, Gordon Jenkins, Billy May, Jeff Alexander, Alec Wilder, Nelson Riddle, Elmer Bernstein and Andre Previn. Under the baton of Sinatra, a symphony ork interprets these. Interesting idea, well-executed, counts on the name pull of Sinatra and the eight composers. Fine display possibilities offered by the cover.

Capitol reissued this experimental album along with the rest of Sinatra's catalog in 1962, but it was never a hot seller.
