

## Come Fly With Me

W-920

Gray label. At the bottom of this label are the words "LONG PLAYING · HIGH FIDELITY."

The patent number for T-RIM appears in the rim print.

First Appearance in *Billboard*: January 6, 1958

The first back cover seems to have been the less common one with a clipboard, pilot book, and papers. While the back cover with a photo of Frank is more common, it does not appear exclusively on early pressings. It seems that whenever copies of the original back slick turned up in stock, Capitol used them.
