The large side numbers are at the right side.

Factory: Los Angeles, Jacksonville

The large side numbers are at the left side. Factory: Winchester

Note: the album sides were sequenced as 1/4/2/3, play together on the same turntable.

Ravi Shankar and Ali Akbar Khan played together at the New York Philharmonic on October 8, 1972. Alan Steckler recorded the concert for future release, George Harrison mixed the recorded performance of the two great masters, and Apple released the record. Perhaps testing the waters with an American release, Apple held back a British release of the album until April.
