THE BEACH BOYS (Capitol 2765)
Cottonfields (3:00) (Folkways, BMI — Ledbetter) Old folk classic is treated to a bit of the Beach Boys style dyed a country yellow. On the heels of the team's WB success, this could reap spin-off interest. Flip: "The Nearest Faraway Place" (2:45) (Wilojarston, ASCAP — Johnston)

BEACH BOYS—COTTONFIELDS (3:00)

(Prod. Beach Boys) (Writers: Ledbetter) (Folkways, BMI)—The folk classic gets a solid rock workover by the Beach Boys, and should quickly put them high on the Hot 100. Solid rhythm performance and production work by the group. Flip: "The Nearest Faraway Place" (Wilojarston, ASCAP). (2:45).

The single disappointed Capitol in the United States by failing to reach *Billboard's* Hot 100, despite the fact that reviews on April 25, 1970, had been somewhat positive. In ten other countries, however, this was a fast-selling record that made the Top Ten.
