### Label 62

Capitol

5174

Orange/yellow swirl label without subsidiary print.

01S (Keystone print)

Factories: Scranton

01L (Bert-Co print)

Factories: Los Angeles

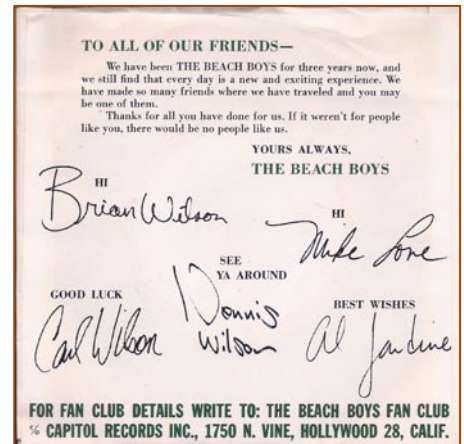

Label 01L(i) has three blank lines on each side in the credits: above BMI, below BMI, and above Produced by.

Label 01L(ii) has three blank lines like 01L(i), but there is less vertical space on each side between the song titles and the credits at the right.

Label 01L(iii) has four blank lines on each side in the credits: above BMI, below BMI, above Produced by, and above the date code.

Label 01L(iv) has two blank lines on each side in the credits: above BMI, and below BMI. This label is probably later, c. 1965-66.

Label 01L(v) has no blank lines. It definitely came out later, c. 1968, as some copies have the label on copies of the single with the no-slip ridges that were added in the middle of that year.

*Cash Box* reviewed the new record in its May 16, 1964, issue – which also featured an ad from Capitol. *Billboard* introduced the single at the same time, so that the release date on the label (May 11) is likely correct. The record bounded up the charts rapidly, giving the Beach Boys their first #1 hit.

1 GET AROUND (2:12) [Sea Of Tunes BMI—Wilson]	DON'T WORRY BABY (2:45) [Sea Of Tunes BMI—Wilson, Christian]
THE BEACH BOYS (Capitol 5174)	
<p>The Beach Boys can easily continue their fabulous hit streak with this follow-up to "Fun, Fun, Fun." It's another exciting, tailored-for-teen-tastes hot rod stomp'er, tabbed "I Get Around," that should be getting around at a quick clip. Also stick with the attention-getting shuffle beat cha cha coupler, "Don't Worry Baby." It also has the big hit goods.</p>
