GEORGE HARRISON—Apple P 1885 (Capitol)

THIS GUITAR (CAN'T KEEP FROM CRYING)
(prod. by George Harrison) (Ganga, BMI)

Harrison hits the mark with this edited extra textural ballad. With superb accompaniment from Gary Wright's ARP strings, song is given a sharp edge.

GEORGE HARRISON (EMI P1885)

This Guitar (Can't Keep From Crying) (3:49) (Ganga —BMI) (G. Harrison)

More emotional workout from the guitar that gently wept once before. The former Beatle treads in the same musical direction that he has for the last couple of years: bending the strings so that they whine in an inflated blues style instead of screaming/squealing like some of Harrison's wilder-minded contemporaries. George's vocal is very complimentary and the words are gently serious. Flip: No info. available.
