Mono/stereo promotional single of the A-side.

SINGLES

JOHN LENNON WITH THE PLASTIC ONO NUCLEAR BAND, "WHATEVER GETS YOU THRU THE N'IGHT" (prod. by John Lennon) (Lennon/ATV, BMI). There s two Johns tracking here, and one sure sounds like Elton! An original Lennon tune that should score as his brightest night-light since "Imagine." Buoyantly abetted sax-filled boogie! Apple 1874 (Capitol).

JOHN LENNON (Apple 1874)

Whatever Gets You Thru The Night (3:20) (Lennon/ATV, BMI — J. Lennon)
It has been a while since we've heard from John but one listen to his new disk and it will be sure to turn your head around. The production is excellent and the arrangement is full, using diverse instrumentation. Lennon's lyric as always is catchy and the driving rhythms have this moving up extra fast. Flip. No info. available.
